When I'm happy (x2)
Here's my face (x2)
My smile is big and shiny (x2)
On my face (x2)

When I'm sad (x2)
Here's my face (x2)
My smile is upside down
Showing you a frown
On my face (x2)

When I'm angry (x2)
Here's my face (x2)
My eyebrows are touching
My lips are tight and frozen
On my face (x2)

When I'm sleepy (x2)
Here's my face (x2)
My eyes are moving slowly
My mouth is yawning widely
On my face (x2)
