

Practice Implementation Checklist: Respond to Emotions & Teach About Feelings

Place a star next to the items you feel are a strength for you.

Then, check any of the boxes that apply.

I would like to...

Responsive to children's expressions of emotions & teaches about feelings	Learn more about this	Do this more often	Do in other routines or differently	Do this in better ways
Understand and provide labels for children's feelings				
Ask questions or expand on children's emotions				
Teach children to recognize other's emotions by pointing out peers' feeling to them				
Use activities to teach about feelings and feeling words				
Label my own emotions in response to real-life classroom situations				
Use real-life classroom situations to identify toddlers' feelings when they have conflicts or are frustrated				
Use real-life classroom situations to help toddlers problem-solve
